

PACKAGE / COURSE LEARNING & ASSESSMENT STRATEGIES GUIDE

Package / Course Title:	Certificate III in Children's Services - CHC30402 Identify and respond to children and young people at risk of harm – CHCCHILD1C (Core Unit)
Target groups	This unit applies to all those workers involved in community services, health, policing, juvenile justice, recreation, family services and education. Carers at this level require an understanding of the legal requirements in work practices which support the protection and reporting of children and young people that are at possible risk or harm. Carers will also develop skills in recording and implementing procedures within the workplace to ensure the health and safety of children.

TRAINING DELIVERY

Strategies	Performance Indicators	Resources
Case study	Develop an understanding of the statutory and organisational guidelines for implementing and reporting of children that are at risk or harm.	Appropriate case study scenarios
Written/oral	Develop the ability to identify children at risk and the definitions of the differing types of abuse.	
Role-play	Develop skills in providing a child focused workplace ensuring all children are provided with a safe environment.	Access to learner resource manual
Work placement and/or simulation	Develop all of the above under the range of working conditions normally encountered.	Access to appropriate workplace or simulation of realistic workplace setting. Access to resources and equipment normally used in the workplace.

ASSESSMENT

Strategies	Performance Indicators	Resources
Observation in the workplace or in a simulated workplace and under the normal range of workplace conditions	Demonstrate ability to provide a child focused environment ensuring that organisational procedures are followed to identify and respond to risks and hazards to children in care.	Access to appropriate workplace where assessment can take place or simulation of realistic workplace setting.
Questioning	Demonstrate knowledge of the statutory and child protection procedures in the child care industry.	Learners manual
Practical exercise	Demonstrate knowledge in the policies and procedures related to children at risk or harm within the workplace.	Policies from within the workplace

List any special requirements / issues / amendments for any particular target group.
