

PACKAGE / COURSE LEARNING & ASSESSMENT STRATEGIES GUIDE

Package / Course Title: Certificate III in Children's Services - CHC30402

Ensure children's health and Safety – CHCCN1D
(Core Unit)

Target groups In this unit carers will develop knowledge of the legal requirements of ensuring a healthy and safe environment for children. Carers at this level will have an understanding of strategies and procedures that are required to ensure that the environment is maintained to be safe. Providing an understanding of a clean, hygienic and safe environment for children is a requirement of this unit.

TRAINING DELIVERY

Strategies	Performance Indicators	Resources
Case study	Develop an understanding of the legal/regulatory requirements for staff and children while in care.	Appropriate case study scenarios
Role-play	Develop the ability to identify the risks and hazards to providing a healthy and safe environment.	Access to learner resource manual
	Develop the skills to implement correct procedures in child/staff ratios and health and safety in the child care environment.	
Work placement and/or simulation	Develop all of the above under the range of working conditions normally encountered.	Access to appropriate workplace or simulation of realistic workplace setting. Access to resources and equipment normally used in the workplace.

ASSESSMENT

Strategies	Performance Indicators	Resources
Observation in the workplace or in a simulated workplace and under the normal range of workplace conditions	Demonstrate ability to provide a clean and safe environment for children including personal hygiene, modeling safe behavior and providing a safe play area.	Access to appropriate workplace where assessment can take place or simulation of realistic workplace setting.
Questioning	Demonstrate understanding of the legal and regulatory requirements of the work place.	
Practical exercise	Demonstrate the ability to implement correct procedures to ensure the health and safety of children within the service.	

List any special requirements / issues / amendments for any particular target group.
