

PACKAGE / COURSE LEARNING & ASSESSMENT STRATEGIES GUIDE

Package / Course Title: Certificate III in Children's Services - CHC30402

Care for babies – CHCCN5C
(Elective Unit)

Target groups This unit describes the skills required by anyone working with babies/infants to ensure that their physical and emotional well being is maintained. Workers may be under supervision or working autonomously. Workers at this level will be required to demonstrate the ability to providing a safe, secure and nurturing environment responding to babies needs promptly and positively.

TRAINING DELIVERY

Strategies	Performance Indicators	Resources
Case study	Develop an understanding of the age appropriate developmental needs of babies, including routines, physical care, nutritional, social and emotional needs and ensuring that their needs are responded to promptly.	Appropriate case study scenarios
Questioning	Develop the ability to provide a safe and secure environment for babies.	Access to learner resource manual
	Develop skills in developing babies learning through nurturing and using appropriate guidance in the environment.	
Work placement and/or simulation	Develop all of the above under the range of working conditions normally encountered.	Access to appropriate workplace or simulation of realistic workplace setting. Access to resources and equipment normally used in the workplace.

ASSESSMENT

Strategies	Performance Indicators	Resources
Observation in the workplace or in a simulated workplace and under the normal range of workplace conditions	Demonstrate ability to assess and report appropriately to babies needs ensuring they are providing a safe and secure environment.	Access to appropriate workplace where assessment can take place or simulation of realistic workplace setting.
Questioning	Demonstrate understanding of implementing procedures and routines to foster babies learning and needs including, physical, nutritional, social, emotional care and development in a positive way.	
Portfolio	Gather resource from the workplace that help to nurture babies development and learning
